## Bloomberg LAB

The NMIMS Navi Mumbai Library among very few in the country has a setup of Bloomberg Terminals which gives the opportunity to students to be well informed about the business world. Bloomberg is a major global provider of 24-hour financial news and information, including real-time and historic price data, financial data, trading news and analyst coverage, as well as general news and sports. By launching the **Bloomberg Terminal** in NMIMS Navi Mumbai campus, we have provided our students with exposure that will endow them with a competitive edge over all others, and the ability to perform in the dynamic marketplace.
