Message from Program Chairperson

NMIMS School of law at the Navi Mumbai campus has established itself as a most sought after avenue for legal studies in a short span of time. The credit for that undoubtedly goes to the brilliance of the students and the dedication of the faculty members and staff. The competitive course outlines go through a process of scrutiny every year and are updated to include contemporary developments in the curriculum. Diverse subjects to choose from as electives and specializations further add to the academic competencies of the students at our premier institute. Alongside that, there are full credit clinical courses in Moot Court, Alternative Dispute Resolution and Professional Ethics ensure that practical aspects of the profession are also well imbibed in the students. We equip the students with the requisite skills to go beyond academic knowledge to meet the continuously changing demands of the legal industry. With immense pride and great expectations, we present and recommend our second batch of NMIMS School of Law, Navi Mumbai for your kind consideration
